About Cigna-HealthSpring

Cigna-HealthSpring is proud to be one of the leading US health plans focused on caring for the senior population, mainly through Medicare Advantage and other Medicare and Medicaid products. Through our deep understanding of the needs and challenges facing, both patients and physicians, we developed a collaborative model that, provides more access to high quality preventive care for our members, while supplying physicians what they need to deliver that care.

Specifically, Cigna-HealthSpring recognizes and rewards physicians for **quality** over quantity of care. We provide extra nurse and technology resources so physicians can devote more time and attention to their patients. The result? Healthier members with lower medical costs. It's a common-sense model, but an uncommon practice.

About Cigna-HealthSpring

To date, Cigna-HealthSpring, operates Medicare Advantage plans in Alabama, Arizona, Arkansas, Delaware, Florida, Georgia, Illinois, Indiana, Maryland, Mississippi, North Carolina, Pennsylvania, South Carolina, Tennessee, Texas, and Washington, D.C. All in all, we touch over one million lives throughout the nation.

Before you join our team, it's important for you to know that in everything we do, the following core beliefs dictate our actions. It's your job to convey these beliefs to every customer *before you utter even one benefit*.

WE BELIEVE that seniors deserve to live healthier lives.

WE BELIEVE in delivering health care, *not sick care*.

WE BELIEVE if we help seniors to stay healthier, they can ultimately get more out of life.
