VALUE HMO NETWORK

RATING REGIONS AND NETWORKS

Our plans are rated by regions. We offer the same plans, networks, and premiums on and off the Health Insurance Marketplace with three exceptions:

- **Value HMO Plan** – If you are purchasing an On Marketplace HMO plan and you live in one of the eight counties outlined in red, you automatically will be enrolled in our Value HMO plan. The Value HMO network consists of participating providers only in Berks, Cumberland, Dauphin, Lancaster, Lebanon, Lehigh, Northampton, and Perry counties. Use our Provider Finder at ChooseCapitalBlue.com to find participating Value HMO providers.
- **CareConnectSM Plan** – This gatekeeper PPO plan is for residents of Cumberland, Dauphin and Perry counties, and is available Off Marketplace only. You must select a primary care physician and abide by referral processes for specialists to receive the highest level of coverage.
- **Catastrophic Plan** – An Off Marketplace Catastrophic plan is available only if you are under age 30. You may qualify for an On Marketplace Catastrophic plan if you are age 30 or older and meet financial hardship requirements.

HOW TO USE THIS GUIDE

This rate guide lists 2016 base monthly premiums for available plans.

Keep in mind:

- Your permanent mailing address must be in one of the counties listed for the plan you choose.
- Health plan base rates do not take into account any income-based financial help you may receive from the government.
 - If you are eligible for a federal subsidy and *enroll for a plan on the Federal Health Insurance Marketplace*, your rate will be less than the base rate shown. A subsidy, also referred to as an advanced premium tax credit, might pay all, most, or part of the premium cost of a health plan. The higher your income, the lower the subsidy amount will be.
 - You may qualify for cost-sharing reductions that lower out-of-pocket costs at the time of health services. This type of financial help is available if you enroll in a Silver plan on the Marketplace.

Here's how to find your monthly rate:*

- Identify the region where you live. Use the Table of Contents to find the page(s) that show rates for the plans you are considering.
- For each family member to be covered, find their age as of the effective date of coverage.
- Match the individual's age to the plan you are considering. Family members may select different plans.
- Use the smoker rate if an individual age 21 or older uses a tobacco product four or more times each week. Use the nonsmoker rate if an individual does not smoke, or if a tobacco product is used less than four times each week.
- Add together all family members' rates[†]—for health, dental, and vision plans—to get the total monthly premium.

Once you have selected the coverage that's right for you and each family member, you're ready to get a quote and enroll!

*Rates are subject to change. Your final monthly premium will be provided upon your request for a quote or when you enroll. This document is not a contract. Your policy will have full details on all benefits, definitions of terms, and exclusions that apply to your plan.

[†]Rates apply to each child under age 21, up to three children. There is no charge for additional children under age 21.
