2018

Dental, Vision and Hearing Sales Incentive

Sales incentive details

Application date on qualifying production must be between June 1 – December 31, 2018. Policies must be issued on or before January 15, 2019 and be in force on or before February 1, 2019. Internal replacements* or exchanges do not count towards contest qualification. Business written on self or immediate family** members does not count toward qualifying production. Applications written on spouses/domestic partners living in the same household do not count toward qualifying production. Qualifiers must maintain an 80% persistency on qualifying business.

The qualifier must be in compliance with all company and state marketing rules and regulations and be in good standing with Aetna and its legal entities at the time prizes are awarded. Agents must be properly appointed with the legal entity they are submitting business on.

*Internal replacement is defined as a replacement of a product from one Aetna underwriting company to another.

**"Immediate family" shall mean a child, spouse, mother, father, sister, or brother of you or your spouse/domestic partner.

Prize details

Prizes furnished by Careington International Corporation ("Careington"). The specifics of the prize shall be solely determined by Careington. No cash or other prize substitution permitted except at Careington's discretion. The prize is non-transferable. Any and all prize related expenses, including without limitation any and all federal, state, and/or local taxes shall be the sole responsibility of the winner. No substitution of prize or transfer/assignment of prize to others or request for the cash equivalent by winners is permitted. Acceptance of prize constitutes permission for Careington to use

winner's name, likeness, and entry for purposes of advertising and trade without further compensation, unless prohibited by law. Careington will send a 1099 to qualifiers who attend in the amount of the trip's fair market value. All federal, state, and local taxes are the sole responsibility of the qualifier.
