BGA deadlines

Get your business placed in 2018

Make sure your Nationwide® life insurance cases count for 2018 production by keeping these dates in mind:

December 14: deadline for us to receive **applications**

December 21: deadline for us to receive **premium**

Please note: Applications must be in good order for these deadlines to apply.

Giving your formal applications priority

To ensure that your formal applications are processed and counted toward 2018 commission credit, Nationwide underwriters will be working extended hours through December 31. It's one more way we demonstrate our commitment to helping you build your business.
