Use our simple process to offer additional, permanent life insurance to clients with term coverage.

What sets Term + Perm apart?	A streamlined life insurance buying process The Term + Perm program allows clients with an eligible term policy to buy a new permanent life insurance policy from Nationwide without current medical requirements. Flexibility with existing coverage Policyholders can get a separate permanent policy — they’re not required to exchange their term life insurance for permanent coverage. Ability to add the Long-Term Care Rider Simply complete the Long-Term Care Supplement Form. We reserve the right to order additional requirements, such as an Attending Physicians Statement. Higher face amount options Up to \$2.5 million in permanent insurance is available to clients. A permanent policy may be issued with a face amount that is equal to or less than the existing term policy. A short list of ineligible companies See below for a list of the companies whose term policies are not eligible for our program.

Underwriting and issuing the permanent policy	Clients can choose from any individual Nationwide whole life, universal life or variable universal life policy currently being sold. If there are two eligible term policies, clients can qualify for a survivorship life policy. Please contact the Life Solutions Center at 1-800-321-6064 for product support. A fully completed and current-dated application that includes Part II and a signed illustration (if required for the product) are required, and we'll access MIB Inc. and the pharmacy database, and obtain a motor vehicle report. Depending on the face amount, a Life Financial Statement (LFS) or third-party financials may be required. Additional underwriting evidence may be required if there have been any health changes since the term policy was issued or if benefits or riders are added. The new Nationwide policy may be rated, and issuance of the policy is not guaranteed. If we have previously underwritten the client on a formal or informal basis, he or she may not be eligible for the program. For underwriting class, new policies are issued “like to like.” So if a client was underwritten as Nontobacco Preferred for the term policy, the Nationwide permanent policy will be issued as Nontobacco Preferred. If the total amount of in-force and applied-for coverage with Nationwide exceeds \$2.5 million, please contact your underwriter for program availability. The Term + Perm program was designed to offer additional, rather than replacement, coverage. If a replacement becomes part of the transaction, normal replacement rules apply.
