We are
Insurance with a DifferenceSM

Royal Neighbors is a unique provider of life insurance and annuities whose mission is to protect women financially and empower them to improve their lives, families and communities. Royal Neighbors was founded as a membership organization in 1895 by nine women who recognized the need to insure the lives of women and children.

Our members are eligible for many member savings¹ opportunities that will help them save on prescriptions, dental, hearing and eye care as well as legal services. Many of these savings can be used by everyone in the household.

Insurance and annuity products should not be purchased for eligibility or maintenance of non-guaranteed membership savings opportunities. Life insurance and annuity products should only be purchased if they meet the financial needs of the applicant. Member savings opportunities are available at no extra cost and administered by a third party.
