

Social-Media Posts from Life Happens for September and LIAM

Life Happens has created a social-media post for each weekday in September through the end of Life Insurance Awareness Month, which Life Happens created and coordinates.

Remember to use **#LIAM20** with all of your posts that relate to the campaign. Plus, join us for a special Twitter Chat during the month of September. Stay tuned for details!

These posts and graphics can be used on social-media sites or in other marketing outreach that makes sense. Feel free to use as-is or modify to fit your marketing, branding or compliance needs. **All posts can be modified except for those including LIAM Spokesperson Brooke Shields.**

NOTE: All social media graphics and videos can also be found, including “unbranded” (meaning without the Life Happens logo), **on your Life Happens Pro Account**. You must [log in](#) to access them. These can then be posted natively (meaning it doesn’t take them to the Life Happens site when they click, but keeps them on your page/feed to view, for example). If you have any questions, reach out at support@lifehappens.org.
