1) Cash-Out Rider may not be available on all substandard rated policies and some may only qualify for the Cash-Out option in the 15th Policy anniversary. 2) The riders are offered at no additional premium. However, the accelerated payment will be less than the requested death benefit because it will be reduced by an actuarial discount and an administrative fee of up to \$500. A request for an accelerated benefit may only be advisable if the qualifying event results in a significant reduction in the insured's life expectancy. A shorter life expectancy will result in a larger benefit offer. The amount of the actuarial discount is primarily dependent on American National's determination of the insured's life expectancy at the time of election. Outstanding policy loans will reduce the amount of the benefit payment. Policy Form Series: SGUL18; GCOR15; ABR14-CT, ABR14-CH, ABR14-TM (ND & SD Form Series ABR22-CT, ABR22-CH, and ABR22-TM) (Forms may vary by state).
